Board of Control
Wisconsin Lutheran Seminary
11831N Seminary Drive 65W
Mequon, Wisconsin 53092
Rev. Paul Manthey, Secretary

Dear Pastor Manthey,

At its April 21-22, 1986, meeting the Conference of Presidents adopted the following resolution:

- WHEREAS 1) the Board of Control of Wisconsin Lutheran Seminary has approved the installation of a pipe organ in the seminary chapel; and
- WHEREAS 2) the board has designated this organ project as the recipient of a thankoffering on the occasion of the 125th anniversary of the seminary; and
- WHEREAS 3) the board is petitioning the Conference of Presidents to allow the announcement of this thankoffering among members of the Synod; and
- WHEREAS 4) the board stands ready to release seminary funds in the event that gifts fail to cover initial and/or final expenses; therefore, be it

Resolved, That the COP grant permission for the announcement and gathering of this thankoffering.

It is understood that this is to be a low-key effort.

Cordially,

Carl H. Mischke
