Dear John,

The fact that this letter is so long removed from your visit to the Seminary does not change the fact of our sincere appreciation for your visit. It was a pleasure to meet with you and all of us, Pastor Manthey, Professor Valleskey and I felt we had gained a great deal from our conversation.

However, our committee has seen fit to secure the services of Dr. Edward Meyer, professor of music at our sister school Dr. Martin Luther College of New Ulm, MN, as the consultant for our new organ.

You are receiving from us a token of our thanks for your trip to Mequon.

Cordially,

James P. Tiefel
