The service

1	(hymn) <i>Let Heaven's Music</i>		
2	Pelz	Psalm 98	
3		When in Our Music, Engelberg	
4	opt. hymn		
5		musical offering	
6		Te Deum in hymns	
7	Ferguson	Holy God...	
8	Bach	Fugue in E-flat	6:30

yes

Do I accompany Pelz and Ferguson? If so, please tell me what metronome markings.

And here are some other (odd) questions. How wide is the music rack? What are the softest and loudest volumes with which the Zimbelstern will balance? What is the layout of drawknobs: Sw & Ped on left; Gt on right? Any pistons? Is the "musical offering" by the organ; any guidelines? What is the time limit on the recital portion? I may omit 7, 10, 11. And, *certainly by now*, you have a date set...?

Is it redundant to sing the *Te Deum* in hymns and then follow with the Ferguson, which is the *Te Deum* versified? If so, would a "favorite hymns" section fill your goal following the offering? Is your intent here that the organ play a variety of accompaniments, harmonies, alternatim stanzas?
