Dear Mr. Ott,

Enclosed is our Wisconsin Evangelical Lutheran Synod's check #0076204 in the amount of \$16,835.00. This represents our eighth and final payment on the contract that Wisconsin Lutheran Seminary has with you for constructing and installing a pipe organ in our Seminary chapel. With this payment the total paid to date on the original contract is \$168,350.00 plus an additional \$1,600.00 as a change order bringing the grand total to \$169,950.00.

You will notice that we dispensed with paragraph 4 of the contract requiring \$1,000.00 to be set up in an escrow account for five (5) years. This is being done based on the excellent relationship we have developed with you and your fine reputation. This in no way, of course, alters or changes paragraph 3 which outlines the guarantee of our new instrument.

This is being sent to you in the absence of President Armin J. Panning who is presently in Hong Kong. We do, however, want to extend our sincere appreciation on behalf of everyone for your cooperation and service in providing us with a most beautiful instrument. I am sure you heard as many compliments as we did at last Sunday's dedication.

Sincerely,

David L. Martin, Business Manager
